Township takes steps to recover museum taxes

Time is running out for Kirk Wipper and his International Canoe Museum.

The University of Toronto phys-ed professor owes approximately \$16,000 in back taxes and interest to Stanhope Township and at the February 11 Stanhope Council meeting, clerk-treasurer Gerald Bain was ordered to register a tax certificate on Wipper's property, including the museum.

Located on Highway 35, about ten kilometres north of Carnarvon, the Kanawa International Museum of Canoes, kayaks and rowing craft is possibly the largest collection of its kind in the world.

Wipper founded the museum 30 years ago as part of Camp Kandalore of which he was then director.

Though he has already received considerable government assistance, the museum has a deficit of \$300,000. In 1985 alone, the deficit increased by \$47,000.

To keep his museum afloat, Wipper sold Camp Kandalore in 1975 and recently gave up his Toronto home. Also in 1975 he had the museum registered as a non-profit institution.

But Stanhope Reeve Harry Davis told his council at a meeting last November

that Wipper is not doing all he could to save his museum. Not long ago, said Davis, the township paid for and built a sign near the entrance to the canoe museum on Highway 35. That was the first sign Wipper ever had.

"Two months later, I called back and found out that the number of museum patrons had tripled," he remarked.

For the past two years there has been a lot of public interest in a plan by the Haliburton County Historical Society to take over the Kanawa collection and move it to a new site at Glebe Park in Haliburton Village. At a public meeting last December a fund drive was begun to help pay for a \$50,000 feasibility study of the plan.

The Provincial government has agreed to subsidize the study with a 75 per cent contribution providing the Historical Society can come up with its share of \$12,500.

However, society organizers will have to move quickly. A tax certificate, much like a lien, will entitle the township to sell the Wipper property to recover the unpaid taxes if, in a year and a day after the certificate was registered, the taxes still haven't been paid.

Information service plans to open Minden office

The Haliburton County Information Centre service is expanding.

On March 3, a new office will be officially opened in the basement of the Minden Municipal building.

At first, said Information centre manager Doreen Hawman, the new office will only be open on Tuesdays but if there is sufficient need more days would be added to the schedule.

The main office in Haliburton Village - open five days a week - is well used. Hawman said the

county decided to open the Minden office because many of the present patrons come from the Minden area.

The purpose of the centre is to provide information - everything from Haliburton County tourist brochures to

workshops on how to fill out a tax return and lists of county residents looking for volunteer work.

The information centre offices are run by volunteers and funded by the provincial government and the county.

Heading toward the finish line, the members of the winning bed race team outdistance the Rotary team challengers. The race on Haliburton's main street was part of the community's annual Winter Carnival festivities this past weekend. For more photos from the event, please turn to pages 14 and 15.

Riders, skiers help charity

The Easter Seal Society benefitted from two events held in the Highlands during the past weekend.

The Minden Rotary Club's annual Snowarama for the charity raised over \$14,000. Some 126 riders took part in the 100 kilometre event which started and ended at the Minden Community Centre.

According to the Snowarama chairman Steve Berry, this year's amount raised was down from last year, due mainly to the absence of one rider who regularly brought in more than \$6000 in pledges. "His presence was obviously missed," Berry commented. "However, the riders who participated did an excellent job at raising money for this worthwhile charity."

The snowmobile riders gather pledges from friends and associates based on the number of kilometres travelled.

The participants were treated to a hot meal following the ride and received free gasoline courtesy of Shell Canada and the local distributors

(more on page 2)

Don Hall of the Minden Rotary Club tops up the tank of one of the participants in the annual Snowarama for Timmy. The ride attracted 126 snowmobilers who raised over \$14,000 for crippled children services in Ontario.

Museum prepares for feasibility study

by S. Hill

The County Town Museum Committee met with Marlene Theberge from the Ministry of Citizenship and Culture and councillor Verne Graham, museum advisor, on Thursday, February 5.

Members agreed that their first priority was to preserve the rich heritage of our community. This heritage includes stories from the lives of our pioneer citizens, artifacts of the area and suitable heritage buildings which represent life in this area.

The feasibility study will assess community support for the Heritage Park which has been suggested as a suitable way of preserving community heritage and providing an active centre for community use. No matter what source of funding is sought - Destinations East, Wintario, New Horizons or the Ministry of Citizenship and Culture, all require feasibility studies in order to qualify for capital grants.

Specific terms of reference written in concrete terms are required. These are tendered for bids by consultants. A writing team composed of museum chairman Stan Hill, secretary Shirley Warder and councillor Verne

Graham is to write the terms of reference for the feasibility study and submit them to the Ministry of Citizenship and Culture by April 1.

Fund raisers

(from page 1)

Sid Stamp Fuels and Minden Shell. The Haliburton County Snowmobile Association also provided access to its groomed trail network for the day.

The top rider in the Minden run was Del Taylor from Beaverton who completed the circuit with \$1453 worth of pledges.

A similar fund raising event, carried out on skis, was held during the weekend, sponsored by the Haliburton Rotary Club. While the organizers were somewhat disappointed in the number of participants, the amount raised for the charity was most encouraging. The twelve participants turned in some \$7400 in pledges for the Easter Seal Society.

The chairman of the Skiarama, Greg Bishop, noted that one participant, Livio Mascarin from Woodbridge carried \$6200 in pledges when he covered the seven kilometre circuit. "We were aware that he was planning to take part in our event, but we didn't know how many pledges he was carrying. It was a real boost to our first effort."

The skiers used trails groomed by the Nordic Trail Association, starting from Halimar Lodge on Lake Kashagawigamog.

Highway 35 - just north of Minden 286-2890

Alexis Macnab keeps an eye on proceedings as her parents, Peter and Karen discuss registration details with Archie Stouffer Elementary School Kindergarten teacher Diane Dawson, right. The school expects to welcome more than 55 new students with the start of classes next September.

Number of kindergarten registrations continue to grow

Initial projections indicated continued growth in the number of kindergarten students attending Haliburton County Elementary schools. The two large schools which will be receiving kindergarten students next September held their registrations recently.

At Archie Stouffer

Elementary School in Minden, principal Mackay Brydon reported that 55 new students registered last week. He said that a number of families were away at the time, and that several more registrants can be expected before the new school year begins. The school's kindergarten program was expanded to three classes

this year to meet the needs of increased enrolment. There are currently 65 students attending kindergarten classes at the Minden school.

In Haliburton, Victoria Street school officials saw an influx of 60 registrations this past week. This compares with this year's kindergarten enrolment of 46. The principal of the

Haliburton school, Ruth Gorrie, said the increase would require the addition of another class to meet the needs of the youngsters.

Registration at the smaller school in the county system has not yet been carried out.

While the elementary schools are seeing their populations grow as new students begin at the kindergarten level, it will be some time before the increase is seen at the secondary school level. According to High School principal Andrew Hemphill, initial projections indicate the school's population will remain steady for the next school year, with the possibility of a slight decrease over the next few years.

Zoning change challenged

A Stanhope property owner who wants to develop her Maple Lake lot has run into problems.

In January of last year, Mrs. Winnifred Mueller received permission from the township council to sever her lot into three smaller parcels on the condition that she is

suggest you (the township) contact your lawyer about the proposed rezoning."

"We did," said clerk-treasurer Gerald Bain, "and

he agreed with us."

The proposed zoning change will be discussed again at the March 11 council meeting.

successful in her attempt to have the zoning designation of the land changed to permit development.

However, at a public meeting February 11, Mueller's zoning change - which council is still considering - was protested by Larry Vanlieshout, an

adjoining property owner.

Vanlieshout's lawyer, Ray Selbie, argued that the zoning change goes against the original intent of Stanhope's zoning bylaw. To give Mueller what she

wants, he said, would be the first step in changing a cottage area into a residential development.

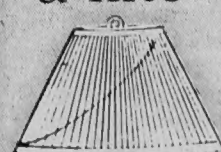

The Mueller property is at the south-east tip of Maple Lake, lot 29, concession 5 of Stanhope Township.

Selbie concluded: "I

Securing the past

Quick now! This past Monday was designated a special day across Canada...in fact the entire week has been dedicated to this effort. Can you name what that special day is called?

If your response was Heritage Day, you are among the few in this province who are aware of an effort being made across the country to increase general awareness of the importance of our past.

In our quest for things new, bright and shiny, we often overlook the value of those things and individuals who have gone before. Buildings of significance, arts and letters, unique, natural occurrences are guideposts which provide direction to the future. Our most important heritage resources, however, are the individuals who have lived the experience. They can tell us first hand the vast knowledge their own generation has experienced and the know-how accumulated from those who went before them.

We are fortunate in this country to have organizations active in preserving our heritage. Their efforts often go unrecognized. The benefits of their persistence are valuable to us all and will serve well the generations to come. If nothing else, we should salute their efforts during this special week and encourage them in their quest.

Say No

A society which says through its laws that the taking of another's life is morally and legally wrong cannot, in good conscience, licence itself to commit murder. It is no more immoral for an individual to kill another human being than it is for the state to place a noose around an individual's neck and open the trap door.

Parliamentarians must reject the call for a return to capital punishment.

Ice jam on the Gull River

Making a comeback

- by Arthur Black -

If you asked me to name the Comeback of the Decade, I would have to pass on the Hamilton Tiger Cats, the city of Sudbury and Robert Bourassa.

I would have to give the nod to God.

Hands down. Why, it was only back in 1977 that Time Magazine came out with a front cover reading 'Is God Dead?' It takes but a cursory perusal of the press ten years later to realize that God is alive and well and displaying a dazzling bit of broken-field running, his wonders to perform.

We all learned in Sunday School that the Big Guy works in mysterious ways and that his modus operandi is far too subtle and sophisticated ever to be comprehended by humdrum brains like mine and thine, but still...

Take Raymond Bartlett. He is -- or was -- a family court judge in Nova Scotia who, up until last month, routinely sent abused wives back to their husbands with the explanation that lumps and bruises were their pre-ordained lot in life.

Says who? Well, says God, according to Judge Bartlett. "Look in the Bible in Genesis" he told reporters. "Look up the word 'woman' and you'll find passage after passage where it says: 'Wives, submit to your husbands'---I'm paraphrasing."

He certainly was. Judge Bartlett now has ample time to study and recite Biblical quotations at length. The Nova Scotia provincial authorities have relieved him of the pressures of the bench, pending an investigation of his behaviour.

Oral Roberts - now there's another ecclesiastical outrider that must be giving God pause. Oral, as we all know, is a porky, pious fellow who pops into our living rooms every Sunday morning with his well-scrubbed daughters and wife and a handful of harmonious friends to sing psalms, trade Hallelujahs and put the bit on us while he brings us up to date on how the university -- Oral Roberts U., that it -- is coming along.

Near as I can figure, the university has fallen on hard times of late. Must have, because a couple of Sundays ago, Oral went

public with a kind of ultimatum. Either we cough up \$4.5 million U.S. and pronto, or Oral was going to be Called Up Yonder.

To hear Oral tell it, it all started back in 1985 when he was buttonholed by God on behalf of one of the Divine One's pet projects, a medical school -- attached to Oral Roberts University in Tulsa, Oklahoma, coincidentally enough. "Oral" said God, "I want you to raise \$8 million for scholarships." Well, Oral did his darndest, but the best he could shake out of his television audience was a measly three and a half mil.

Not good enough. "Time is running out" says the evangelist. Unless he can somehow find nearly five million dollars by March, God is going to call in his marker. And we are not talking abusive phone calls, slashed tires, or even kneecapping here -- this is the Big Time. Unless Oral comes up with the rest of the money by March, God is going to "call Oral Roberts home."

At least that's how Oral tells it. He's been using his weekly program on 200 TV stations

across North America to publicize his plight and to encourage the faithful to check behind those couch cushions, see if they can't scrape together a measly \$4.5 million more. So far, alas, the campaign's been a bit of a bust. Several TV stations have refused to run his Donate or I Die broadcasts and even some of his fellow Sunday morning brethren have turned against him.

Well, all I can say is, if there is a God, I'm impressed by His infinite mercy, allowing as He does, quacks and charlatans and evil swine who range from racists through con artists to out-and-out whackos, to run around using His Name.

As for the 'Is God Dead?' question first raised by Time Magazine a decade ago, the best answer I've come across was a bumper sticker I glimpsed on a van in Halifax a couple of years back.

The bumper sticker read:
God is alive and well and working on a much less ambitious project.

letters

Editor:

We all tend to complain when things aren't as we think they should be. I was one of the first to grumble when we had to climb snow hills on the Main Street to get from one business to another. My sincere thanks and appreciation now go out to the municipal workers who have done such a super job cleaning our main street after last Sunday's (February 8) storm. Congratulations.

E.Hall,
Minden.

Editor:

I would like to thank you on behalf of the VON Peterborough Branch for giving us coverage in your paper during VON week, January 25-31, 1987.

We are proud of our 90 years of service and are anxious to inform the public about the services we provide.

Thank you for your co-operation.

Judith Carrick, RN, BScN.,
Nursing Supervisor.

Good news from treasurer

-by John Eakins
MPP -

There is good news from my colleague, Treasurer Robert Nixon. In his third quarter report on Ontario's finances, the Treasurer said the estimated revenue for the province is up by \$919 million from the Budget Plan.

Of this \$919 million in new revenues, \$724 million will be spent on new programs. Mr. Nixon said most of this money will go to health, education, social services as well as transportation commitments. Mr. Nixon said \$195 million will also be used to reduce the provincial deficit.

I am pleased that we have the good fortune of being able to reduce the deficit created in past years. At the same time, our government has allocated much needed new funds to our colleges, universities, schools and hospitals, which have suffered from years of underfunding. We in Victoria-Haliburton have been fortunate to share in the allocation of these funds and I am confident we will continue to receive our share of financial assistance.

Personal income tax,

(more on page 5)

What do you think about Capital punishment

by Bill Kulas

It may well appear that the so-called holiday that many convicted murderers have experienced over the past several years now seems to be over.

Capital punishment was abolished by a six-vote margin in 1976 following an emotional ninety-eight hour debate. When capital punishment was abolished it was replaced by 25 year minimum prison sentences for those convicted of first-degree murder and by 10 year minimum sentences for anyone convicted of second-degree murder.

As a result of overcrowding in most of Canadian penitentiaries a very much lenient attitude has prevailed allowing a large number of convicts to be released on parole for good behaviour.

A question that has been raised several times is, how can a convicted person who killed a human being in a premeditated and cruel murder be let out into society for good behaviour in a penal institution after

having served only a fraction of a life sentence? Can the law guarantee that the offender won't repeat the same offence?

The legal system has been taking a gamble. A gamble that has resulted in heavy losses over the years. Canadians are fed up with senseless murders, that have especially rocked police forces across Canada.

Yes, undoubtedly civil rights groups will cry foul, but the facts are clear. In 1950, 30% of Canadians were in favour of the death penalty, now 70% or more favour the death penalty. Included in the 30% or so who are opposed to the death penalty are the convicted murderers.

On a recent CBC program, convicted murderers were interviewed and asked if they agreed with capital punishment. All of them strongly disagreed with it saying capital punishment was not a deterrent. Now tell me, what other answer did the CBC reporters expect to receive?

Bill Domm, the M.P. from Peterborough has been

fighting for years to have the death penalty re-imposed. Domm supports the death penalty by means of lethal injection, for serial and contract killers, murderers of policemen and law enforcement officers, people who slay hostages and anyone who commits a premeditated murder. Domm finally saw his efforts come to fruition last week when Deputy Prime Minister Don Mazankowski introduced in the House of Commons, a motion calling for a free vote on capital punishment.

A free vote allows MP's to vote according to their consciences rather than along party lines.

The motion, if adopted by parliament, would give a special committee 90 days to draft legislation to present to parliament for debate and a final vote. If the bill is voted upon capital punishment could be reinstated in the fall of 1988.

What do you think of capital punishment? Are you in favour or opposed to it? Write your views c/o The Editor.

Darting, here and there

It is interesting how moose seem to be cropping up lately in this column. A small community, described by one wag as a crossroads with two pubs, a garage and a few houses, was intimately linked with Haliburton Village this past weekend.

The community, known *colourfully* as Deadman's Cross, is the home of the Red Lion Pub, the overseas base for the annual trans-Atlantic darts tournament. Seven sharp shooters from the pub team face off against an equal number of competitors at the Haliburton Legion. Linked by telephone line, players in each venue take their turn at the line, scoring points and counting down from 301 in a race to be the first to hit the right double point to reach zero.

jack's world

by editor & publisher Jack Brezina

It's a fun and friendly competition in which the first team to win four out of the seven games is declared the champion. The English team won easily this year, taking six of the seven pairings and the 1987 title.

While the spectators and players can only see one end of the international matches, the telephone connection provides a relay for the scorers from the other end. At the Legion, the exchanges on the telephone are broadcast through the room's public address system. Scores from both sides are marked on a chalk board as the crowd tensely watches the progress of each match.

Peter Wilson, one of the organizers in England described the atmosphere as "electric in the small pub about 50 miles north of London as the games are played out. The pub is crowded with about 70 on hand to watch the tournament. This year, the fifth for the competition, attracted the interest of the local BBC radio station. Their coverage included an interview with Legion organizer Gerald Irish.

Publican Vic Julie, who has been innkeeper at the Red Lion for four years

described the tournament as one of the highlights of the year. In the week leading up to the event, the community held a raffle in conjunction with the tournament. Tickets on various donated prizes were sold with the proceeds (160 pounds sterling) going to a nearby children's hospital.

Like the Legion here, the pub has a regular darts league that meets every Tuesday evening. The tournament participants come from these players, with Peter Wilson selecting the members.

The Red Lion Pub features Whitbread beer, one of the more popular brands in England. The brewery donates a keg of its finest for the evening, which Vic noted, helps to bring out the crowd from the surrounding agricultural community.

Which brings us, perhaps somewhat tenuously, to the moose connection. Whitbread Breweries in England last year acquired the licence to produce and distribute Moosehead Lager, a popular beer in eastern Canada. Last year the English beer makers introduced the beer at the Red Lion Pub offering the "premium" lager during the tournament for 30 pence (60¢). It usually sells for 95 pence (\$1.90). Vic says that despite the premium price, Moosehead Lager is still a popular brand. The annual Canadian connection has, of course, helped to ensure that at least once a year anyway, the patrons of the Red Lion Pub in Deadman's Cross can feel a little more a part of the trans-Atlantic competition.

Back at home, while there was no Moosehead Lager in evidence, the Legion kitchen added to the flavour of the competition by serving up a popular English dish, bangers and mash.

And for the Haliburton team which didn't fare so well this year, there may be some small consolation in the fact that the winning English team, all men, took on a ladies' team immediately following the international tournament. The ladies were apparently showing the champs how darts should really be played and were giving them a sound trouncing.

Skillful sawyer

Provincial revenue rising

(from page 4)

strong consumer spending, good government and the continued strength of the housing market have all contributed to the increases in revenue for Ontario. As the Minister responsible for the Ontario Lottery Corporation, I also know that strong growth in Lottery sales and profits, has offset the reduced profits of the LCBO and a \$17 million reduction in the estimates of gasoline tax revenue.

Toxic waste agreement

On February 4, my colleague, Environment minister Jim Bradley, signed a four party Declaration of Intent to finally begin to clean up the Niagara River. Representatives of Canada, the United States, New York State and Ontario signed the agreement.

Ten months ago, Ontario was the lone hold-out, refusing to approve an

earlier draft that did not go far enough to clean up toxic chemicals entering the Niagara River. Over the months, Mr. Bradley successfully achieved the improvements sought by Ontario. Key elements of the agreement include:

- a target of 50% reduction of persistent toxic chemicals by 1996 from point sources such as industrial and municipal dischargers,
- a further target of 50 per cent reduction of persistent toxic chemicals by 1996 from non-point sources such as leaking chemical dumps,
- annual reports, starting next year, on technical developments applicable to dump site cleanups, with particular emphasis on excavation and destruction.

"For the people of Ontario...restoring and protecting water quality is imperative -- to maintain our environment and to safeguard our economic, social and physical well-being," Mr. Bradley said.

"This agreement ends an era of neglect, and opens a long, no doubt arduous, but I believe ultimately successful campaign to clean up the Niagara River and safeguard Lake Ontario and its vast supply of drinking water."

"Drinking water alone is reason enough to demand that we clean up this river,

but there is more. Restoring the river also protects the long-term interests of the many industries and services that have developed along both the Canadian and U.S. shorelines. These measures ultimately lead to a more secure environment for sustained economic development."

I should add that as the Minister of Tourism in Ontario, helping to preserve the quality of water for Niagara Falls will do much to maintain the attractiveness of such an important provincial tourist attraction.

from the chamber

by Shawn Hagerman

by Shawn Hagerman

On April 1, the sponsorship of the Outreach Centre transfers from our chamber to the County of Haliburton. You may have noticed that the new sign is already in place. The official new name for the centre is the 'Haliburton County Employment Services Centre.' It was felt that a name change at this time was in order and also the new name more accurately reflects the varied services provided at that office.

The office is staffed by Jane Selbie, the project manager, Darlene Pettits and Pat Clarkson. Valerie Birch who has been on an extended leave of absence since November will be returning early in the spring. Chamber members should be especially grateful for the fine job and hard work put in by these Chamber employees. Our thanks should also go to Rhonda Elstone, our chamber liaison

officer who has been our hands-on representative at the office over the last several years.

Jane Selbie informed me today that the centre is becoming a very busy place indeed, with an average of 56 people a day visiting the office. This month alone 46 full time jobs were placed at the centre, ranging from computer related work, office and secretarial jobs and general labour. As well more and more employers have become familiar with the centre and are coming to depend on the resources of the office to meet their employment needs.

Challenge '87 is the upcoming program for summer employment. This will be available in a few weeks. Finally, even though the chamber will no longer be the official sponsoring body of the centre, we will of course, continue to use and encourage the use of such a resource in our community.

Trio charged in break-in

Police have charged three youths with break, enter and theft and the possession of stolen property following an investigation into incidents at cottages on Glamour Lake.

According to the authorities, a number of properties on the lake were entered earlier this month. Various items were removed from the premises.

Since the offenders fall under the protection of the Young Offenders Act, their identities have not been released.

The investigating officers are Constables Brian Sachs and Ron Buchanan.

resulted in \$4500 damage.

Cuneo has been charged with making an unsafe turn.

Constable Wayne Smith is the investigating officer.

Fatalities down

OPP Commissioner Archie Ferguson reports a marked reduction in traffic deaths, injuries and motor vehicle accidents in OPP policing jurisdictions during 1986 as compared to 1985.

The number of people

who died in traffic accidents in OPP patrolled areas fell from 769 in 1985 to 705 last year, a total of 64 fewer deaths.

As well, the number of personal injury accidents dropped, with 1,013 less people injured. There were over 2,500 fewer accidents in total during 1986.

According to Transport Canada estimates for 1985, this reduction in deaths and injuries represents an almost

\$20.0 million savings in both direct and social costs to the people of Ontario.

Commissioner Ferguson said "we feel our increased enforcement programs,

particularly 'Strict is Fair' contributed greatly to last year's decrease in traffic deaths". The Commissioner

also noted that the motoring public of Ontario is now directly benefitting from these OPP traffic enforcement methods, which continue to reduce traffic fatalities and injuries.

WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1986 assessment if you feel your home or business property has been improperly assessed.

Your assessment is important because the amount of property tax you pay depends on it, in that the assessed value of your property is multiplied by your municipal and school mill rate to determine your 1987 property taxes.

Notices of Assessment have been mailed to property owners and tenants whose assessments have changed since last year. Open houses have been held in your area to answer questions and amend assessment information if necessary. Open house dates and locations were announced in a previous advertisement.

The Assessment Roll has now been delivered to your municipality for the purposes of calculating the amount of tax you must pay on your property in 1987. For information on your assessment, the Assessment Roll is now available for review at your Municipal Office during regular business hours. If you feel your property has been improperly assessed, and you have not yet made your appeal known, you still have until February 26, 1987 to deliver or mail an appeal to the Assessment Review Board. **And remember, even if you did not receive a Notice of Assessment, you still have the right to appeal.**

Appeal deadline — February 26, 1987

The Assessment Review Board is an impartial body reporting to the Attorney General of Ontario which provides you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer, or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office, or your Municipal Office. As well, you can use the reverse side of a Notice of Assessment or write a letter stating the property address and roll number together with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board listed below.

Citizens Act celebrated

- by Bill Scott, MP -

Secretary of State David Crombie recently announced plans for celebrations and activities to mark the 40th anniversary of the first Canadian Citizenship Act which came into effect January 1, 1947. Prior to 1947, Canadians were legally British subjects. In a statement to the House of Commons, the minister said he hoped to see business, teachers, students, parents, churches, multicultural groups and other volunteer organizations approach citizenship awareness from their own unique perspectives.

"I would like to see events organized in every community across Canada," said Mr. Crombie. "Whether it is a party or an educational experience...it doesn't really matter as long as it involves Canadians in an exploration of their citizenship."

The minister invited Canadians to get involved, to plan and hold celebrations, particularly during Citizenship week, April 12-18. Interested groups or individuals can obtain free copies of a Citizenship Week Planning Guide from any of the 28 citizenship courts across Canada or by writing to the Department of the Secretary of State at the following address: Communications Directorate, Department of the Secretary of State, Ottawa, Ontario K1A 0M5.

The minister also said he hoped to be able to propose changes to the current Citizenship Act for adoption by Parliament

before the end of the year. According to Mr. Crombie, the Act, last amended in 1977, needs certain housekeeping amendments and up-dating to bring it into-line with the Constitution and Charter of Rights and Freedoms. In the spirit of the anniversary year, the Minister also urged Canadians to consider principles and values which could be set out in a preface to the act to give more depth and meaning to the concept of citizenship.

As your Member of

Parliament for Victoria-Haliburton and a member of the Standing Committee of the House of Commons on Secretary of State, I urge all municipalities, libraries, schools, business etc., and all those individuals proud to be Canadian, to participate in this celebration. It's time we show how much we appreciate the rights and responsibilities we enjoy as Citizens of Canada and this 40th anniversary presents a perfect opportunity for us to do so nationwide.

Valu-mart Senior Men's Bonspiel was held Tuesday, February 9 at Minden Curling Club. The team of Stan Hill, Earl McDonald, Norm Gilmore and Ross Codlin were the high two game winners on the first draw. Bill Kulas, second from left, manager of Minden Valu-mart was on hand to present the winners with their prizes while one of the organizers, Ed Pettinger, right, offers congratulations.

Curlers host senior bonspiel

submitted

On Tuesday February 10, Minden hosted a Bonspiel for senior men from Bobcaygeon, Campbellford, Haliburton, Lindsay, Oshawa, Peterborough, Port Perry, Wilberforce and Minden. The teams were welcomed by Club President Ed Pettinger who wished them all the best on their day's endeavours.

Again this year, as in the past, the event was a huge success with the visiting participants requesting that we do the same thing next year and in the years to come.

Functions such as this can only be achieved through much hard work and dedication by many people including local businesses.

We would like to give a special mention to J.O. Jackson and Howard Scott for the fine ice surface for

which they were responsible.

A very fine luncheon was enjoyed by all and the credit goes to the ladies and the organizer Bill Donnelly.

Bill Harrison, dedicated as always, did a remarkable job as bartender, dispensing his wares with efficiency and a pleasant word for everyone.

Every project has to have a 'head honcho' someone who pulls everything together and then makes it happen. This responsibility fell to Bonspiel Chairman Jim Holmes who deserves a hearty thank you for a job well done.

The day's overall winner

was the Bobcaygeon rink skipped by Bruce Oliver, Ken Cameron vice, John Platt second and Ron Chapman, lead.

Congratulations are in order to Bruce and his crew.

High two game winner first draw was a Minden Rink skipped by Stan Hill, Earl McDonald vice, Norm Gilmore second and Ross Codlin lead.

High two game winner second draw - Peterborough rink took these honours ably skipped by Ken Chambers assisted by Gordon Howarth, Gerry Rylott and Len Marlin.

High one game winner,

first draw was taken by the Haliburton Rink with Bruce Armstrong at the helm and his three stalwarts Don Clee, Doug Sealey and Mel Robertson.

High one game winner second draw was the Campbellford group skipped by Roy Willis, Claire Ingram, Larry Hurst and George Fields, lead.

There must be losers as well as winners so our congratulations go out to all players who by all reports had a most enjoyable day.

A special mention must go to Bill Kulas, manager of Valu-mart for a very generous gift of roasts and steaks to be offered as prizes to the winners. These were supplemented by prizes from the Minden Senior Curling Club.

To all persons involved and participating we say thank you for making the day such a success.

Curlers play in Toronto

submitted

The Somerville Invitational Bonspiel was played at the Toronto Cricket Skating and Curling Club on February 12. Four local curlers took part and displayed above average ability and place third in a 12 rink competitive 'spiel.

The George Dickie rink of Minden was skipped by Milt Endicott, vice George Dickie, second Ed Pettinger and lead Hal Burton.

Many acquaintances were renewed over an appetizing buffet luncheon and this curling foursome is looking forward to a return invitation in the near future. It was most enjoyable.

Having recently returned from a successful test day, the proud members of the Minden Figure Skating Club include, from the left, Dan Garbutt, Meaghan Obee, Nadine Balcombe, Jana Obee, Janene Garbutt, Jaime Kent and Andrea Pawluch.

Skaters successful at test day

- submitted -

Seven Minden skaters attended a very successful low test day in Haliburton on January 29.

Meaghan Obee and Dan Garbutt passed their Preliminary Figures, for a good start to the day.

Jana Obee passed her second figure and also went on to pass not only the compulsory Ten-Fox dance in the Junior Bronze series but the other two as well, which are the Fiesta and Willow. Champagne (diet Sprite) flowed in the

dressing room after the successful Ten-Fox. A special congratulations to Janna for her four tests.

The preliminary free-skate was passed by Janene Garbutt and Jaime Kent.

Preliminary dances were the last order of the day including the Dutch Waltz by Jaime Kent, the Canasta Tango by Jaime Kent and Andrea Pawluch and the Swing by Meaghan Obee and Nadine Balcombe.

All thirteen tests were successful and we can be very proud of our Minden

skaters. Thank you Jane Symons and David Hollows, our professional

coaches, for their part in preparing our skaters for this test day.

CORPORATION OF THE TOWNSHIPS OF
ANSON, HINDON AND MINDEN

NOTICE

(File #86-12)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowners portions
of the original allowance for road along the
shore of Soyer's Lake lying in front of Lot 28,
Concession 7, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) (a) of the Municipal Act, R.S.O.
1980, as amended, that the Council of the
Corporation of the Townships of Anson,
Hindon and Minden proposes to consider and,
if deemed advisable, to pass at its regular
meeting to be held in the Municipal Council
Chambers on Milne Street, Minden, Ontario,
on March 12, 1987, at the hour of 10:00 a.m., a
By-law to stop up, close and convey those
parcels of land more particularly described as
follows:-

Parts of the original allowance for road along
the shore of Soyer's Lake in front of Lot 28,
Concession 7, in the Township of Minden, in
the County of Haliburton, designated as parts
1, 2, 3 and 4 on a Preliminary Plan of Survey by
Bishop & Wilson Ltd., Ontario Land Survey-
ors, dated November 25, 1986.

AND FURTHER TAKE NOTICE that before
passing the said By-law at the meeting to be
held at the time and place above-mentioned,
the Council shall then and there hear in person
or by his or her counsel, solicitor or agent, any
person who claims that his or her land will be
prejudicially affected by the said By-law and
who applies to be heard.

DATED at the Township of Minden this 2nd
day of February, 1987.

(Ms.) B.A. Millar, A.M.C.T. (A),
Clerk-Treasurer,
P.O. Box 98,
Minden, Ontario.

Playoffs continue in men's league

The playoffs in the Minden Men's Recreational Hockey League continued this past Monday with game three in the round robin series.

The first teams on the ice were Home Hardware and Vasey Real Estate. Vasey overwhelmed the opposition 12-3.

Andy Campbell set the tone early for the victors, opening the scoring in the first frame of the game. Home responded with a single off the stick of John Barkwell, but then the victors exploded for a five goal streak. Dave Hartwick and Larry Sawyer each scored a pair of goals in the effort while Barry Walker notched the single.

Home scored a second time in the middle period with John Barkwell taking

the nod.

This was followed by another scoring blitz from the Vasey team, this time stringing together six goals. Brendan Berube and Larry Sawyer each scored two goals while singles came from Barry Walker and Tim Vezina.

John McAdam scored the final goal of the game, to complete Home's three goal tally.

In the second contest of the night, Hartwick Construction dumped The Times 5-4.

Sid MacKeigan scored two goals for Hartwick in the opening period while Ben Manuge notched the only Times goal of the period.

The Times moved into striking position during the middle stanza, when Doug

Rae scored the only marker of the 20 minutes to tie the game at 2-2.

However in the third period, Hartwick pulled ahead with Brian Shaw, Dan Read and Sid MacKeigan scoring. Ben Manuge and Brett Austen scored the two remaining Times tallies.

The final contest of the evening saw the Rockcliffe Foamblowers trounce Hall's Insurance 8-2.

Bernie Upton opened the scoring for Hall's with the first goal of the game, however the lead was quickly extinguished as the Foamblowers started on a five goal streak that didn't end until well into the second period. Scoring were Barry Boice with a pair and Ted Vasey, Merv Mintz and Doug Thain with singles. Joe Mitchell managed another goal for Hall's before the middle period ended.

Rockcliffe managed three more goals to put the game out of the reach of the opposition. Scoring were Jim Keetch, Greg Carpenter and Kevin Hamilton.

Four teams lead in this round robin playoff. Hall's Vasey, Hartwick and Rockcliffe have each won two games while Home has a

single victory and The Times is still winless. Following the five game series the two top teams will face off in the league finals.

The action continues this Monday night at the Minden arena as Hall's plays Home at 7 p.m., Hartwick takes on Vasey at 8:30 p.m. and Rockcliffe plays The Times at 10 p.m. Admission to the games is free.

Everyone Welcome

Atoms split weekend pair

submitted

After an exciting series with Bobcaygeon that saw the seventh game go into overtime before a winner could be determined, our local boys opened on Friday with Manvers on a sour note with an 8 to 1 loss. Manvers controlled the game from start to finish with Corbie Kent scoring Minden's only goal on a penalty shot.

Game two played on Sunday in Minden, proved to be a different story with Minden coming out on top of a 3-2 score.

Manvers opened the scoring half way through the first period but a minute later, Dave Ackerblade tied the score on a pass from Corbie Kent.

Manvers took the lead once again with a minute and a half left in the first and this held until half way through the second, when Corbie Kent tied the score with assists going to Derek Janke and John Henderson.

At the start of the third period, Minden came out flying and took the lead at

the 44 second mark when Corbie Kent scored from David Short and Dave Ackerblade. The local boys held on the rest of the way to tie the series.

Pee Wees take Baltimore 6-1

submitted
On Sunday, Minden's Kernohan PeeWees faced off against a team from Baltimore, a small centre about 40 minutes from Peterborough. Minden won by a score of 6-1 even though the team played short handed a number of times. Goals scored: First period - Hunter Obee from Jaime Dollo. Second period - Rob Ackerblade unassisted;

Darren Sawyer unassisted and Oliver Greer unassisted. Third period - Darren Sawyer from Jason Scarlett and Rob Ackerblade; Jaime Dollo, unassisted. The team will play against Manvers on Tuesday night and are also entering into a tournament in Haliburton on the weekend. First game will be a ten o'clock against Lindsay. Good Luck, Pee Wees.

Curlers head toward season's close

The Minden Curling Club has now passed the mid point of its second schedule. The following are some of the highlights of the front running teams.

Monday night ladies

The Monday night ladies league has Diane Warnes' foursome leading the pack with a record of five wins and two losses. Sally Bonner, who is now tied for

third with 40 points, beat the leading Warnes' rink in a close 5-4 victory. In second spot is Lois Titus with a 4-2-1 record and 45 points. She was triumphant over Gwen Cox rink 7-4. Catherine Kellett is also keeping pace with a commanding 12-2 win over Cheryl Murdoch.

Tuesday Men's League

J.O. Jackson's foursome continues to dominate the Tuesday Night men's. J.O. and his rink defeated Paul Prentice 8-5 and is now the only undefeated team with 6 wins. Neil Burk and Bob Colliver are keeping pace with 5 wins and a loss each, while Paul Prentice has fallen to fourth spot with 40 points.

Thursday mixed league

Bob Colliver and Stan Hill are currently in first place in the Thursday night mixed league with 5 wins and a tie, giving them 55 points. Bob Colliver earned first place by blanking Gil Scott 16-0. Stan Hill's rink mastered Bill Roodenburg's

team 10-6 to earn his share of top spot. Frank Franzen is a close second with 11-5 to win over Neil Burk giving him a total of 5 wins and 1 loss for 50 points.

Friday night league

Diane Warnes' rink is also dominating the Friday mixed league with 5 wins and 1 loss. She led her team to first place by defeating Dwight Thomas 7-5. Brian Cross' rink is in second place with a 6-5 win over Dave Blakey, giving him a 4-1-1 record and 45 points. Don Blakey and Ed Cyr are tied for third with 40 points each. Don Blakey edged Elaine Blakey 7-6 while Ed Cyr thrashed Barry Marshall 8-4.

Competitions

This past month the ladies competitive teams have been curling out of town, but were not as successful as they would have liked. Cheryl Murdoch's Intermediate team travelled to Omemece and were defeated in the semi-finals by

Omemece.

Diane Warnes and Elaine Blakey skipped our two ladies Tankard teams in Beaverton this past week. Although unsuccessful, it was a first time experience for some of our ladies and we wish them well in their future endeavours.

This weekend the Minden Curling Club is hosting the Men's Rockbuster Bonspiel. There will be 32 teams competing all playing down to win one of the four events. We wish to acknowledge participation of these local businesses: A Event: Frontier Motors. B Event:

Prentice-Berry Ltd.; C Event: North Shore Lawn * Garden Equipment. D Event: Dollo's I.G.A.

The action starts at 4 p.m. on Friday, February 20 and continues until Sunday, February 22 when the playoffs will be held. See you there.

Tax clinics offered

-by Bill Scott-
MP

I have been advised by Revenue Canada that there will be public tax assistance centres open at the following times and locations.

Lindsay, Kent Place Mall, 9:00 a.m. to 5:00 p.m. March 3 and 4.

Haliburton, Township Office, 9:00 a.m. to 11:30 a.m., March 11.

Minden, Township Office, 1:30 p.m. to 4:00 p.m. March 11.

These sessions are open to the general public and will be staffed by Revenue Canada employees. They will offer assistance by providing information and answering questions concerning the filing of personal income tax forms.

In addition the Haliburton County Information

Huskies hold onto lead

submitted

The Haliburton Huskies have a two game lead in the best of five playoff series with Gravenhurst.

Last Thursday night before a good crowd at the local arena, the Huskies skated to a 3-1 victory. Goaltending at both ends of the rink made for an exciting match with Gavin McKnight securing the win. The defensive pairs of Flood and Perrin along with Vuksic and Johnston played a steady, disciplined game.

Scoring for Haliburton were Russell from Byers and Johnston, Taylor from Russell and Hewitt with the

final goal scored by Taylor from Russell and Byers. Gravenhurst had 4 minutes in penalties to none for Haliburton.

The next night the Huskies travelled to Gravenhurst for game number two and came away with an identical 3-1 win. The key to this win was a hard disciplined effort as Gravenhurst attempted to intimidate the Huskies from the opening face off. Backed by goaltender McKnight good forechecking by the forwards and good defence, the Huskies persevered. Gravenhurst received 12 minutes in penalties to 6

minutes for Haliburton.

Scoring for Haliburton were Taylor from Russell and Byers; Hewitt from Byers and Flood and Hewitt unassisted. Game three will be played this Friday night in Gravenhurst at 9:00 p.m. and if a fourth game is necessary, it will be in Haliburton on Saturday night at 8:00 p.m.

Lenore Gillespie tries her hand at shuffleboard during the Senior Winter Games held Monday at Deer Lodge. Looking on are Marjorie Peel and Haddon Gillespie. Well over a hundred seniors took part in bingo, shuffleboard and a variety of card games. The competitions were organized by the Haliburton County Home Support Services.

Haliburton Midgets defeat Fenelon

submitted

Haliburton Husky Midgets have advanced in their OMHA playdowns after defeating Fenelon Falls 3 games straight in a best of 5 series.

The first game played in Haliburton February 10, saw the Huskies offence in high gear as they scored 12 times to defeat Fenelon 12-4. Jaro Cooper scored 7 goals, with singles going to Drew Mitchell, Jeff Popple, Allan Rydman, John Wells and Ted Paish.

Game two was played in Fenelon Falls on Friday night with the Huskies coming out on top 4-2. Ted Paish scored twice with single goals scored by Drew Mitchell and Jeff Popple. Captain Tom MacLeod picked up an assist on all four goals.

The third game was played in Haliburton on Saturday night as part of the Winter Carnival at the Midgets shut out Fenelon 7-0. The Husky defencemen were scoring Saturday with Ron Perrin counting two singles to Scott Nesbitt and Jeff Popple. Also picking up a goal each were Ted Paish, Tom MacLeod and John Wells.

The Midget Huskies now advance to quarter final play and will find out who their opponents are later in the week.

Enjoying a sunny and warm Christmas

Lori Saunders is a Minden area high school student who is spending a year in Australia as part of a Rotary International exchange program. She is sponsored by the Rotary Club of Minden. Lori has agreed to share some of her experiences down under with our readers and has provided the following report.

G'Day Mates:

I guess by now Haliburton is covered in snowy white stuff. I must be truthful, I miss that snowy white stuff at this time of the year, but after December 25, you can keep it.

I've neglected my letter writing duty lately, because I've been so busy with Christmas preparation, a play I am in and a number of Rotary activities. However, I will now attempt to catch up.

First I will give you a few of my impressions of life in Australia, now that I have been here a while.

My first impression is of incredible beauty. From the air Australia looks like a green oasis in the middle of blue, blue waters.

My second impression is extreme friendliness. Everywhere you go, people smile and greet you with "G'day Mate, I'm..." and they are so helpful to a stranger from another land. Together with this friendliness is a great sense of humour.

Next impression is that everything is backwards. Cars have their steering wheels on the wrong side and they drive on the wrong side of the road.

Expressions are different too. The first time I was asked if I had had my tea, thinking it would be a drink, I said "No". They then proceeded to give me a full meal, which I was too polite to refuse, even though I had eaten an hour before. Boy, was I stuffed...oops! in Australia that means pregnant.

I am now with my second host family. My Mom and Dad are Linda and John Marquis and I have two brothers aged 14 and 12 and a sister 10 years old. This leads me to my next comparison - the food. There is no Root Beer (my favourite drink) but they do have Peanut Paste and I have my brothers and sisters trying Peanut Paste everything. Imagine not knowing what a peanut butter and jelly sandwich tastes like, or peanut butter and bananas; or a peanut butter milkshake, or peanut butter - Rice Krispie squares (peanut paste and rice bubbles). These poor kids are so deprived but I'm taking care of that. I'll have them converted yet.

Well guys, the weather is hot - about 36 degrees C daytime - school is out for summer holidays and Christmas is just around the corner. I find it hard to get into the Christmas spirit -

the holiday season, but it is hard to association tinsel with T-shirts.

Today - November 12 - I went to a Rotary luncheon and won the raffle (a book on the Pope). I can go to work for a day with any of the Rotarians I choose. This evening I went to a Rotary-anne Party and was invited to spend some time at a Health Farm (normal cost \$200 per day) together with many invitations to tea, etc.

My first outing (a day at work) was with Tim Lee

Steere who works for an Insurance and Real Estate agency, doing estimates on costs of house repairs. The scenery on my trip was beautiful.

Next I went to work with my host dad, John Marquis. He works for a Farm Insurance Company. We went to a carnation farm and how they are marketed. Next we went to a sheep farm and I got to see how sheep are sheared and what happens to the wool, how it is sorted into different kinds

and how it is packed. It was great fun.

Next we went to Collie to see the mines (Coal). The rock covered in dust reminded me of mountains covered with snow. I got out of the car to take some pictures and burnt my feet on the ground. It was 36 degrees C, HOT to me, mild to the Aussies (some of them were wearing cardigans).

I also saw the huge water pipes that give inlanders their water. Then we went to the Irrigation Dam in

Wellington. It was so nice and cool to wade in the water. We also saw many water holes, crystal clear, blue, blue water surrounded by green forests (Paradise).

November 30 - Today I go to Mandurah on an exchange orientation. My host family in Mandurah are Peter and Sue Sutton, Helen (my sister) and John (my brother). Helen is going to Canada in January. She will be hosted by the Huntsville

(more on page 17)

YOU MUST BE A CANADIAN CITIZEN To Vote IN ONTARIO PROVINCIAL ELECTIONS

The Ontario Election Act, provides that every person is entitled to vote who, on Election Day, has attained eighteen years of age; is a Canadian Citizen; has resided in Ontario for the six months next preceding Election Day; and is not disqualified by law from voting.

British Subjects who are not Canadian Citizens do not have the right to vote in Ontario Provincial Elections.

Applying for Canadian Citizenship.

If you wish to apply for Canadian Citizenship or if you have any doubts about your status as a Canadian citizen, please contact:

The Court of Canadian Citizenship nearest you listed under "Government of Canada" in the blue pages of your telephone directory, as follows: Secretary of State, Citizenship applications and inquiries.

OR - You may wish to write directly to the Registrar of Canadian Citizenship, Department of the Secretary of State of Canada, Ottawa, Ontario, K1A 0M5.

This information is published as a Public Service and issued by the Chief Election Officer of Ontario in co-operation with the Registrar of Canadian Citizenship, Department of the Secretary of State of Canada.

Help with income tax

(from page 12)

Centre Volunteer Group, trained by Revenue Canada, will assist low income earners, the elderly and disabled persons who cannot afford the services of tax consultants and are not able to complete their tax returns without help. Their

telephone number is (705)457-2733.

For the 1986 tax year there is a new federal sales tax credit of \$50 per adult and \$25 per child and qualifying relation to be refunded to families and individuals with low incomes. A return must be filed to be eligible for this credit.

Tax forms, for those who did not receive a personal return, are available at all post offices or by calling your local Revenue Canada District Office. For Victoria, Haliburton and Peterborough counties the number is 1-800-267-2139; for Brock the number is 1-800-387-1710; and for Georgina it is 1-800-387-1700. Further information on the Federal Sales Tax credit is in the General Tax Guide provided with the forms.

To aid taxpayers, the

Minister of National Revenue has announced an improved service for answering public enquiries concerning registered charities. The public can now call their District Taxation Office to find out whether a particular organization soliciting funds, is, in fact, a registered charity. The mailing address of each registered charity is also available. These calls should be made to the "general enquiries" area of the district office. These phone numbers are listed in the back pages of the tax guide and in the blue pages of the telephone book.

National Revenue-Taxation will also provide additional information on registered charities through its Ottawa Head office. This includes data filed by registered charities as part of their annual Public Information Return on

received income revenues, administrative costs, amounts expended on charitable activities, the names of officers and the charities objectives and activities. This information can be obtained by calling the Registration Directorate in Ottawa, toll-free at 1-800-267-2384.

Christmas down under

(from page 16)

Club and will be arriving about January 13.

The orientation is as much fun as those I participated in before I left Canada and the same warm friendships were made. We each had to do a three minute speech for the Mandurah Rotary Club without being told in advance, so there was no preparation. I guess I did okay because I was asked to come back and address the club in January.

During the orientation we swam, picnicked, played cricket, squash, pool, spa, hot tubs.

We visited Alcoa (aluminium), saw a Caprock explosion, toured the post office, went to a deer park and saw a baby joey, lots of deer and two big reds. We went to a wine estate and we went to the golf and country club of W.A. and a professional golfer taught us how to swing a golf club properly and hit some balls.

We saw wild kangaroos on the course and took heaps of pictures. We went to dolphins pool, a man made lake for water sports windsurfed and water skied (not with a power boat but

like surfing with paddles). Before we left we had a barbie (Bar-be-que) and a concert and we threw Mr. Murphy (like Uncle Don) into the pool.

Next day we packed up and went to Pinjarra to a camp resort were billeted in cabins and met another 30 kids. One guy played the piano and we sang Christmas Carols. The next day it was church and then we packed up and said goodbye, some of us good-byes. The boys flowed - good-byes never get any easier.

I am spending next week with Rotarian Mr. and Mrs. Webster. They live at a health retreat and I am to have the full treatment while I am there. I could really get used to this way of life.

Well, I hope I am all caught up on what has been happening in my life 'Down Under'. If anyone wishes to write to me - and I love to get mail from home - my address after January 1 will be:

Miss Lori Saunders,
c/o Mr. Trevor Tanner,
81 Dunstan Street,
Bunbury, W.A. 6230.
Australia.

Love, Lori.

MINDEN CURLING CLUB
presents the

ROCKBUSTER
Men's  1987

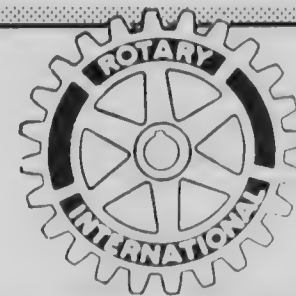

Invitational Bonspiel
32 Teams

FEBRUARY 20, 21 & 22

Events sponsored by:

- A) Frontier Motors C) North Shore Lawn & Garden
B) Prentice Berry Ltd. D) Dollo's I.G.A.

THANK YOU!

The Rotary Club of Minden thanks everyone who helped with this year's Snowarama for Easter Seals.

- * The riders for raising \$14,000.
- * The many donors who sponsored the riders.
- * Sid Stamp Fuels, Minden Shell and Shell Canada for the donation of gas and oil
- * Minden Radio Club for their valued assistance
- * The Haliburton County Snowmobile Association for the smooth, safe trails
- * And everyone who contributed to the success of

Snowarama 1987

....see you next year!

This Week On T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

SELECT COMMITTEE ON RETAIL STORE HOURS

The Select Committee on Retail Store Hours, an all party committee of the Legislative Assembly of Ontario, will meet to review the issue of Sunday Shopping and Retail Store Hours. Specifically, the Committee will be addressing necessary amendments to the Retail Business Holidays Act in respect of Sundays and Holiday openings, exemptions, employee protection and penalties. The Committee will conduct public hearings in the Legislative Building, Queen's Park, Toronto, Ontario and other locations, as may be required, commencing February, 1987.

The Committee invites written or oral submissions from individuals, groups or organizations wishing to comment on Sunday Shopping and Retail Store Hours. Written submissions must be deposited with the Clerk of the Committee not later than Friday, March 6, 1987. Requests for an appointment before the Committee for oral presentations should be directed to the Clerk of the Committee not later than Friday, February 20, 1987. When such a request is made please indicate whether the presentation will be in the English or French language.

TERRY O'CONNOR, M.P.P.
Chairman

LYNN MELLOR

Wheels to Meals returns to Minden

We are pleased to announce that Wheels to Meals has been revived in Minden and area and GILD and area thanks to the new owners of the Wagon Wheel - John and Maria Kovacs. Wheels to meals will commence on Tuesday, February 24 for the Minden group, with the next meeting on March 3 and every other Tuesday thereafter.

Contact Muriel Proctor 286-2733 for reservations. The GILD group will commence on Wednesday March 11 and every other Wednesday thereafter. Contact Bessie Burk at 286-1829 for reservations.

The meal for both groups will be served at 1 p.m. This is a wonderful way of socializing with people and enjoying a full course meal outside of your home. Each group have a time of fun afterwards. So come join in the Minden and Gelert-Ingoldsby-Lochlin-Donald Wheels to Meals. All seniors 55 years of age and older and disabled persons are invited.

New office planned

by Doreen Hawman

The Haliburton County Information Centre in Haliburton is bustling with activity, volunteers are gathering together brochures, forms and information to be ready for the opening of a second office in Minden.

With the co-operation of the council of Anson, Hindon and Minden, we are very pleased to announce the establishment of a new Information Centre, situated in the municipal building on Milne Street.

The office will be open every Tuesday from 9:00 a.m. to 4:00 p.m. starting March 3.

Watch for our new phone number. Until then, please call 457-2733 or drop in to the Drag River Municipal Building, Maple Avenue, Haliburton.

NOTICE

The following vehicle, 1985 Escort Station Wagon, Serial Number 1 FABP 3490 FW 313 883 will be offered for sale to recover sale and repair costs. The vehicle can be viewed at **FRONTIER Motors**, Highway 35, north of Minden.

February is Ontario meat month

Consumers of the 1980's have an opportunity to combine good taste with excellent nutritional value by using Ontario beef, veal, pork and lamb in a variety of appetizing ways. Through changes in breeding, feeding and management practices, the meat industry has been able to respond to

preferences for leaner cuts without compromising eating quality.

Beef, veal, pork and lamb are recognized as major sources of many essential nutrients. Although there is some variation among the meats, most contain iron, zinc, several B-vitamins (thiamin, riboflavin, niacin,

pyridoxine and B12) in addition to high quality protein. Since liver is the storage organ for Vitamin A, it is an excellent source of this nutrient.

Two daily servings from the meat and alternates group are suggested in Canada's Food Guide. The recommended serving size is

60-90 g of cooked lean meat. The versatility of meat makes it an easy combination with many items from other food groups.

Whatever your pleasure, be sure to include more meat in your diet. It can be a real bonus for those busy, active, family lifestyles of the 80's.

\$1 BILLION SPECIAL CANADIAN GRAINS PROGRAM.

A Helping Hand for Grain Farmers

The Special Canadian Grains Program is assisting farmers with \$1 billion. This initiative, announced by Prime Minister Brian Mulroney, is the largest of its kind ever undertaken by any Canadian government on behalf of farmers.

It is a national program that responds to a national need. It will help offset low grain and oilseed prices resulting from the subsidy war between the European Community and the

United States.

The first \$300 million will be in the hands of grain and oilseed farmers this winter. Another \$700 million will be paid out in the spring.

The details of this historic program are as follows:

1. You will benefit if, in 1986, you grew wheat, barley, oats, rye, mixed grains, corn, soybeans, canola, sunflower seeds for crushing or flax.

Pedigreed seed, high moisture corn, high moisture barley and farm fed grain are also covered.

2. The first cheques are being mailed directly to Western farmers based on Canadian Wheat Board permit book data.

3. If your crops are not included in permit book data, or if you are a qualifying producer who doesn't receive a cheque, you can pick up an application at the following places:

- Offices of Members of Parliament
- Grain elevators
- Grain producer organizations
- Agriculture Canada offices and research stations
- Farm Credit Corporation Offices.

You can also have forms mailed to you by contacting the Administrator, Special Canadian Grains Program, Agriculture Canada, Ottawa K1A 1J3. Phone (613) 957-7078.

APPLICATION DEADLINE IS MARCH 31st, 1987.

The Government of Canada is committed to ensuring that agriculture remains a strong and vibrant part of our country's economy. The Special Canadian Grains Program is a part of that commitment.

Winners at Club 35 this week included Bob Lewis for most lone hands, Doreen Lewis for high lady and George Alsop was high man. The door prize went to Jim Foster and the other winners were Hal Burton, Madeline Oliver and Charlotte Ruttan.

Winner of the \$100 at Dollo's IGA was Claire Brooke, congratulations to her.

At last Tuesday night's euchre games at Gelert Centre, winner for lone hands was Isabel Saunders and others included Annie Schrader, Dorothy Milburn and Jack Hills and Merle Pringle. The next night at Gelert Centre is March 3.

Just one birthday next week at Hyland Crest with all good wishes going to Elmer Crawford on February 25.

Thursday afternoon there were weekly euchre games at St. Paul's Parish Hall and winners were for lone hands Gladys Wruth, and Jeanne Sears, Dorothy McElwain, Verna McDonald (man's) and Jack Weekes.

Sincere sympathy goes to the families and friends of the late Mrs. Ron Wood, Arnold Barnum and Gerhard Riemer whose funerals were held earlier this week.

We are pleased to report that Mrs. Orville Francis is home after surgery.

Saturday afternoon a good crowd was at the Valentine's Tea by the United Church Women and with proceeds going to the United Church Sunday School. Helpers included Lisa Holland and Karen Little. There were some door prizes taken by Mary Cox, Marian Warren and Sherry Rivard.

Congratulations to the newlyweds Mr. and Mrs. Lee Austen (nee Kimberley Roberts) whose wedding was at St. Peter's Church in Maple Lake on Saturday.

On Sunday the 1st Brownie Pack enjoyed an outdoor adventure at the Boyd Jarvis home with a cookout, tests and skating after.

All his friends send good wishes to Cliff Lacey who is at Civic Hospital in Peterborough, room 412.

Colin Hewitt of Fort Frances was a guest with his mother Joyce Hewitt over the weekend.

Mr. and Mrs. Paul Warburton and boys spent the weekend with his parents Mr. and Mrs. Joe Warburton and they called on her parents on Sunday.

Pearl and Arnold Cowen have been away visiting relatives and friends at Scarborough, Delhi and Ottawa.

Weekend guests at our home at various times over the weekend included Carol, Reg and Karen Leaman of Keswick, Muriel and Chris Ewing, Sandra, Logan and Daniel Moth, all of Toronto.

The Thrift Shop beside The Times will be open Friday and Saturday afternoons from 1:30 to 4

Build a little homely house
And fence it round about
With quietness and happiness
To keep the troubles out.
All the walls are thankfulness,
And all the planks are prayers,
And faith and trust keep off the rust
That comes of anxious care.
Hope's the roof that shelters you
From every wind of wrong,
And loves own light on the hearth burns bright
To warm you all day long.

Anon

Old friends, I've heard it said, are best
Which seems unfair to all the rest
For instance, friends I've just met now
And all these years have missed somehow.
I couldn't help it, nor could they,
We didn't meet until today.
Friends old or new I find so great
I never check the starting date.

A Warm Welcome To The Community

senior league

by Pearl Lyle

Nice fresh air the last few days! Owing to the storm last Sunday we had no church service. On Tuesday morning we had Rev. Kent of the Minden Baptist Church take the service.

We are pleased to see Mrs. Swann home from the hospital.

The movies this week were "British Columbia - Mountains to the Seas" and "Caroline".

Tuesday evening Daryl Crowe came to play and sing for us. We are glad to have him back.

Wednesday night we had the residents and their guests for a Valentine dinner, 106 were present. It was a wonderful dinner followed by real nice entertainment by Stan Griffiths playing the piano and Mr. Munz with guitar and singing the old songs. It was lovely and enjoyed by all.

Edna Cowan is spending the weekend with her family.

The Tea Party lunch was brought in by the Maple Lake Anglican Church Ladies on Thursday. As usual, it was lovely.

Sorry to report my son-in-law George Hewitt is in St. Joseph's hospital in Peterborough.

Jean Taylor had her niece and little girl call on her one day. Mr. and Mrs. Don Brohm were in Saturday to visit Charlie Brohm who is still quite ill.

The Sunday School children came on Saturday afternoon to sing for us and gave us each a Valentine. They were hand made which

was a lot of work. We do appreciate these acts of kindness and thoughtfulness. Thank you from us all.

We were very glad to have Bill Payne back Wednesday evening to play and sing for us again.

"More things are wrought by Prayer than this world dreams of."

All for now.

WALKER'S HEATING & COOLING

We serve the Highlands with furnace cleaning and repairs; wood, oil, electric installation; emergency service; forced air systems; all furnace accessories.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: What happens when a baseball player's eyes start to fail?

A. He becomes an umpire.

Q: How do football players get clean?

A: They call in the scrub team.

Q: What is the hide of a cow used for?

A: To keep the cow together.

Q: How do you get in touch with a shark?

A: Drop him a line.

(Until February 27, renewals, extension of existing subscriptions and new subscriptions will be accepted at the present rate.)

Exercise helps young bodies grow

by Faith Aggett

By this time of year we are all dreaming of spring and warmer weather. But no one is more anxious than the mother with several young children in snowsuits. What a hassle each outing becomes. It would be so much easier to hibernate.

Now consider the day care staff who, by law, must programme two hours of outdoor play per day, weather permitting. Why would they put those poor staff through such strain?

We all know a breath of fresh air is refreshing. It is a good healthy practice for us all to get out during the day. Good health, which is vital to the child's development and happiness, is partially dependent on exercise.

You have heard the phrase "healthy body - healthy mind?" Studies have shown that physical development is closely paralleled by mental development. The typical curve of mental growth displays the same pattern as that of physical growth.

Strenuous exercise provides the child with a chance to spend pent-up energy and free his body from the tensions of anxiety and frustration. Developing motor control enables the child to engage in activities which gives him enjoyment and leads to feelings of physical security which in turn leads to psychological security. The outcome is a general feeling of self-confidence which affects all areas of behaviour.

Good motor control contributes to the child's acceptance by peers and provides opportunities to learn social skills. Superior development puts the child in line for a leadership role. If motor co-ordination is so poor that the child performs below the standards of the peer group, he will derive little satisfaction from physical activities and will have little motivation to take part.

You can see the importance of providing the time, opportunity and encouragement to practice their gross motor skills. It contributes as a chain reaction to their whole growth and it is fun learning. Lack of opportunity and lack of encouragement may delay their normal development.

So hang in Mom. Get out there and participate with them. It is a valuable experience...and Spring is coming.

Branch 129 news

by Gerald Irish

It hardly seems possible but the fifth annual International Dart Tournament is over and a part of history. A good time was had by all who attended with the possible exception of those who were in the competition.

Before and during the tournament play, you could sense the nervousness of our players. During the games the air in the Legion auditorium was filled with tension and good wishes for each of our players.

Unfortunately once again, England proved its prowess at darts, winning six of the seven games. Our only winner was the first player, Jack Briggs. All other games were close, going down to the wire, with both competitors trying to double out. Congratulations to England. We'll try to do better next year.

I had the privilege of doing the telephone reporting to England and after the tournament, I was interviewed by the BBC regarding the tournament and Branch 129's involvement. This telephone interview was a real thrill to me.

this meeting was to establish committee chairpersons and discuss their roles.

Following is a list of chairmen:

Chairman - Joan Irish; Co-ordinators - Jim Tice and Gerald Irish; Assistant co-ordinator - Steve Giles; L.A. representative - Jan Shipley; Construction and maintenance - Les Smith and Steve Giles; Concession rentals - Jim Tice and Gerald Irish; Advertising - Jim Tice and Gerald Irish; Distribution of advertising - Ken Fieldhouse; Gate (campers) - Fred Knight; Campsites - Murray Douglas and Reg Crockett; Security - Ed Pickard; Draws and raffles - Lloyd Whittaker; Gate (day passes) - Lois Whittaker; Traffic control - Irv Chambers; Washrooms - Les Schell; Information booth - Ken Fieldhouse.

Each chairman realizes the huge amount of work involved and will be looking for volunteers. They can explain the duties involved and tell you your days and hours of working. Please volunteer. Our next Bluegrass meeting is March 31 at 7:30 p.m.

A Bluegrass meeting was held on Tuesday night, February 10. The purpose of

Don't forget the executive meeting on Thursday, February 26 at 7:30 p.m.

CARD OF THANKS

Minden Novice II team would like to say thank you to their parents for making their tournament a great success. Also a special thank you to Garth and Peggy Gammon for their donations and the Rotarians for sharing their facilities upstairs with us. 2C

I would like to express my sincere thanks to all my friends, neighbours and customers for all their prayers, cards, flowers, gifts and visits while I was in Minden hospital and in St. Michael's Hospital. Special thanks to the Hartwick Hockey team and the Minden Hustlers baseball team. Thanks to Dr. S. Dawson and nurses at Minden Hospital and all the doctors and nurses on floor 7FW in St. Michaels, also Gord and John the ambulance drivers who took me safely to St. Michaels. To the VON and Homecare for their care since I came home. Thanks to my family for their love and care. God bless you all.

Al Hartwick

AT REST

HEYES

Morrison, Freeda
at Venice, Florida on Monday, February 9, 1987, Freeda Brooks Morrison Heyes in her 76th year. Dear sister of Mrs. Eileen Pearson of Victoria B.C., Floyd Brooks of Victoria B.C., and Scotty Brooks of Saskatoon Saskatchewan. Cremation was held in Venice, Florida and interment of cremains at Thornton Cemetery in Oshawa. Memorial donations to the charity of your choice would be appreciated and may be made through the Armstrong Funeral Home in Oshawa.

RIEMER

Gerhard (Gerry)

At Minden Hospital on Friday, February 13, 1987, in his 79th year. Beloved husband of Muriel. Loving father of Richard of Toronto and Jacqueline (Mrs. J. Bamber) of Nova Scotia. Loving step-father of Ann (Mrs. W. Mindach) and Meta (Mrs. Robertson) both of Toronto. Dear grandfather of Peter, Darrin, Sarah, Laura and Stephanie. Resting at the Gordon A. Monk Funeral Home, Minden from 12:30 p.m. to 1:30 p.m. Saturday. Funeral service in the chapel on Saturday, February 14 at 1:30 p.m. Cremation. Memorial donations to the Minden Hospital would be appreciated by the family.
